## 2. *What treatment did you receive?*

Adjustments

Muscle Work

---

## 3. *How did Chiropractic help you?*

Migraines have been less severe & much less frequent & get better daily.

Fibromyalgia muscle pain is much less severe/almost non-existent.

It has relieved my stress so much so that I have lost weight.

Depression has ceased – I feel happy and normal again.

Numbness has gone completely away!

Balance is great again and no dizziness! I'm back to working two jobs!

## 4. *Comments:*

Excellent bedside manner with patients! Very caring – very sincere. Has an incredible energy about him. Enjoyable personality/not a cold environment (clinical). Impressed very much so with Dr. Matt's knowledge & continued learning when trying to help me with my disease. Have received answers and results where I haven't anywhere else. Brings professionalism as well as an amazing smile to a patients day!
