1. *What brought you to see Dr. Matt?*

Originally found your name through the Murray chamber. We had tried physical therapy with my daughter, but did not see results. Decision to try a chiropractor and to see the pain leave my daughters back was wonderful.

2. *What treatment did you receive?*

First I was seen for loss of mobility in my shoulder and constant pain in my elbows then started treating hip and back.

3. *How did Chiropractic help you?*

Elbows and shoulders are great, less pain in lower back.

4. *Comments:*

He's wonderful willing to work with you and treat all areas needed.
