## 1. *What brought you to see Dr. Matt?*

Low back pain, neck pain, and overall just could not move. I also have had stomach issues that would not clear up.

---

## 2. *What treatment did you receive?*

2 Times per week and gradually moved to 1 time per week but soon realized, after only 1 month, that I needed more adjustments.

---

## 3. *How did Chiropractic help you?*

I am able to move, study martial arts, and work out at the gym pain free. My stomach issues have reduced tremendously to the point of being manageable and sometimes nonexistent.

---

## 4. *Comments:*

Dr. Matt has helped me more than I could have ever imagined or hoped for. The care and concern that you show to everyone that walks through your door lets me and everyone else know what a fabulous person & chiropractor you are!
