1. *What brought you to see Dr. Matt?*

Severe neck pain and back and IBS. At time I was unable to move my neck from side to side, back pain required prescription medication.

2. *What treatment did you receive?*

Adjustments & supplements.

3. *How did Chiropractic help you?*

My medication has been decreased, severe pain and restriction in movement has greatly decreased.

4. *Comments:*

He is easy, expressed genuine concern, remembers previous issues and ongoing. I do not have to re-tell what is happening, I appreciate his ability to adjust to my personality. He is very knowledgeable both structurally and symptomatic problems of intake.
